Instructions																	
1. Only write on the lines, not below. If you need more space, please begin on another inventory sheet																	
2. Use numbers, NOT letters																	
3. Start with item # 1 and continue in sequential order																	
4. Do not skip numbers																	
5. Do not put your vendor number on each item number line																	
6. Group like items with the same price on one line (regardless of style, color etc.)																	
7. Only this inventory sheet can accompany each delivery. No other sheets will be accepted.																	
* Failure to comply with Holiday Boutique Requirements may result in additional fees charged to the crafter to cover additional handling expense.
